Our Weekend will commence with Dinner Friday evening followed by our opening program. Pr Cristian Copaceanu who is SNSW Conference President just happened to be available and able to accept our invitation to be our special guest speaker this year. We will also have a great Musician/Songleader, Gemma Chapman who is currently serving as a Bible Worker this year in Lismore NNSW and also in her 3rd year of studying Theology through Avondale University College. She plays Guitar & Bass and loves to sing and also compose her own music. Cristian will speak on his chosen theme and the weekend concludes after Breakfast Monday when you are then free to organize your own activities if wishing to stay on or make your way home. Meals are served in the community dining room of the Lodge. Supper in evenings will also be provided and access to Drink Station in Dining Room throughout the day. Saturday evening we will again have our Gala Dinner, with a Multi-National Dress theme this year, followed by the Royal Variety Concert. Love you to contribute an item to the program whether it be music, song, skit or verse. Bring sheet music for your item if you need musical accompaniment. If you have a musical instrument do bring that along also. We have once again arranged for Sunday lunch to be a packed lunch wraps, snacks and drink. Cost for the day to Snow/ Equipment Hire on Sunday 13th June available nearer to the season opening for those who would like to participate and can be accessed online. Not all choose to go Skiing, many choose to go up the mountain sightseeing only, others did a mountain hike, another group went Trout Fishing and others went to one of the resorts and lingered over a cuppa chatting. There are other activities available for those remaining at The Alpine Village, these could include Table Tennis, Pool, Air Hockey, Tennis, Bike riding, going for a walk or just hanging around the fire in the lounge mingling or joining a discussion group should you wish to do so.

For interstate and NZ travelers flying into Canberra we will endeavor to assist with Transport arrangements to Jindabyne if need be, once you have registered. When arriving go to the camp office on the left as you approach the camp. Room Allocation will be from 2pm. If you have asked to hire linen collect from office on arrival also.
